

Shot Peening for the Aircraft Builder

So what the heck is "shot peening" anyway? And why is it important for the aircraft builder to know? Well, Dave Barkley can fill you in on the process, explain its benefits, and answer all of your questions.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
